

2018 Construction Industry Fishing Derby (CIFD)

This is your official invitation to the 2018 CIFD/House boat trip. For those of you who have been on it, not much explanation is required. For those who haven't, here's a rundown.

The derby has been around since 1957, and for the past 35 years or so, Construction Industry (CCA, MCA, SMCAA, ASHRAE, ECAA) individuals have been traveling to Shuswap lake to participate. It's a great opportunity to spend some quality time with your customers, co workers, and industry peers. The houseboats are completely self contained with full cooking, sleeping and bathroom facilities. Please see the attached websites for more boat specific information. www.waterwayhouseboats.com.

This year's derby is September 13-15, with boarding possible the afternoon/evening of September 12. The derby weigh in is on Saturday night with all boats gathering for the evening. Boat return is on September 16. All participants are asked to contact one of the organizers below for prices and booking procedures.

If you need a break from fishing, Hyde Mountain Golf Course is accessible by houseboat, and has a world class track. All boats are also WI-FI enabled, so keeping in touch with the outside world is possible for those who need to. Hope to see you out this year.

Where: Shuswap Lake British Columbia

When: September 13-15, 2018
