[DE-500](#) - The DE500 is a special purpose, USB connected, digital video otoscope camera combined with a high magnification lens used for inner ear examinations. Making use of the electronic medical records (EMR) functions makes this device perfect for telemedicine, self examination, and education.

[DE-550](#) provides the 'wireless use' capability. [DEMO](#)

[DE-570](#) provides compatibility with IOS and Android formats

[DE-300](#) - The DE300 is a USB Connected dermatoscope that is perfect for telemedicine as it enables remote care providers to see close-up live images of the patient. It is also useful as a follicular scope to count hair follicles when conducting hair transplants, as well as in pre & post inspection for plastic surgery.

[DE-350](#) Provides the 'wireless use' capability.

[DE-370](#) Provides compatibility with IOS and Android formats

Part Number	Product Description
FIR-DE300	Digital Dermatoscope with built in polarizing lens. Includes: Camera, USB Cable, AC Charger, and Software CD
FIR-DE350	Wireless Digital Dermatoscope with built in polarizing lens. Includes: Camera, Wireless Receiver, AC Charger, and Software CD.
FIR-DE370	Wireless HD Digital Video Dermatoscope. Includes: Camera, AC Power Charger, and is compatible with ISO and Android Platforms.
FIR-DE500	USB Video Otoscope. Includes: Camera, 15 PCS Specula (5MM/4MM/3MM/), Software CD, AC Power Charger, and USB Cable.
FIR-DE550	Wireless Video Otoscope. Includes: Camera, Wireless Receiver, AC Power Charger, 15 PCS Specula (5MM/4MM/3MM/), and Software CD.
FIR-DE570	Wireless HD Digital Video Otoscope. Includes: Camera, AC Power Charger, 15 PCS Specula (5MM/4MM/3MM/), and is compatible with IOS and Android Platforms.
FIR-DE605	QHD General Exam Camera with Imaging Software, Storage Pouch, and 1 Year Warranty
FIR-DE1250	Wireless Digital Endoscope Camera. Includes: Werless Camera, USB Receiver, Battery Charger, and software
FIR-DE1270	Wireless Digital Endoscope Camera. Includes: Werless Camera, USB Receiver, Battery Charger, software, and is compatible with IOS and Android Platforms.
