

Aliso Canyon Disaster Health Research Study

Draft Health Study Goals and Priorities

On March 18, 2021, the Los Angeles County Department of Public Health released the Draft Health Study Goals & Priorities document for the Aliso Canyon Disaster Health Research Study, developed by the Scientific Oversight Committee.

The 30-day public comment period ends
Friday April 16, 2021 at 5:00 PM PST.

There are two ways you can submit input:

- Email your comments to AlisoStudy@ph.lacounty.gov
- Provide comments through our [online form](#)

We value your feedback and invite the public, especially community members living and working in the Northwestern neighborhoods of the San Fernando Valley, to review and provide public comment on the draft Health Study Goals and Priorities document.
