

SPS Leadership Learning Session

Spring 2025 Agenda-At-A-Glance

The network is excited for our **in-person, Spring Leadership Learning Session** centered around the theme *Bridging Safety: Empowering Leaders and the Frontline for Success!* The learning session will be held in **Chicago, IL on May 14-16**. **Registration is now closed.**

Learning Objectives

- Integrate key principles of proactive safety into your organization's safety strategy
- Assemble strategies to continuously and systematically engage frontline teams to identify problems and create innovative solutions
- Interpret new ways of thinking shared by external industry experts to build systems rooted in learning from everyday work
- Discover the leader's role in building systems optimized for frontline performance

SPS is hosting a new **Pre-Session: Proactive Safety Immersion Training for Executive Leaders on Wednesday, May 14 from 8:30 a.m. - 3:30 p.m. CT** (prior to main session kick-off). **Capacity is limited to two executives from each hospital.** Recommended participants are those who set the organizational safety strategy and make high-level safety plan resourcing decisions (including hospital system leaders). **Registration is now closed.**
