Tour of the National Center for Simulation
[<https://www.simulationinformation.com>]

The mission of NCS is to serve as the nation's focal point and as a catalyst for the development, understanding, and advancement of simulation and related technologies; to improve defense readiness and facilitate space exploration; to support education and training initiatives; and to extend useful applications of simulation.

TUE 7/18 Advisory Committee Best Practices

10:00-10:45am Tarpon A

Ernie Friend (Best practices & summary), Marilyn Barger (statewide)
Kim Burt (post-secondary), Dale Toney (Secondary)

Learn best practices of advisory board management, including finding new members, setting an agenda, communicating with members, and soliciting recommendations.

TUE 7/18 Which CTSO is right for your students (DECA, SkillsUSA, TSA, FBLA)

11:00-11:45am Tarpon A

Ebe Randeree, Dale Toney, & Robert Blevins

This session will explore CTSOs and their role, identify industry clusters related to MFG/TECH/IT, and look at which CTSOs are the best fit. We will invite FL DOE to participate and also invite teachers active in each CTSO to give their input.

TUE 7/18 Dual Enrollment – Three Schools Strategies

1:30-2:15pm Tarpon A

Kim Burt, Michael McCullough, & Ernie Friend

Career Dual Enrollment option for high school students to enroll in post-secondary courses, earn high school credit toward graduation, and earn a certification to start their career. Learn about three colleges' setups, logistics, and strategies. The first 40 attendees will receive a one-gig USB drive with graphics, flyers, and Microsoft Word documents to modify for their schools.

TUE 7/18 The FLATE Best Practice Award Panel

2:30-3:15pm Tarpon A

Join us and celebrate and learn from 2023 FLATE-FAITE Award winners. Winners will share some of their outstanding contributions, career awareness, and best practices (past, present & future) toward innovative programs in support of STEM/Engineering Technology/Industrial/manufacturing education in Florida.

TUE 7/18 Business Meeting – FAITE

3:30-4:15pm Tarpon A

Ebe Randeree, Dale Toney, & Robert Blevins

The business meeting for FAITE (Florida Association for Industrial and Technical Educators) provides Florida DOE updates from the Department of Education Division leaders. Question and answers to projected growth areas and workforce development. FAITE welcomes all Industrial & Technical Educators.
