In October, Towson UMC youth enjoyed an afternoon at the Maryland Corn Maze! They got to feed and pet the farm animals and even pose with *dinosaurs* thanks to the Jurassic Maze theme!

Roof Replacement is Underway!

Thank you all so much for your support in making sure our beautiful building remains a vital part of Towson! We have started the replacement of our roof. Thank you for your generous pledges of over \$690,000 to replace the roof, repair the ceiling, and restore full use of the organ. Your financial gifts are helping ensure the next generations will be able to see and live their spiritual lives at Towson UMC.

Earn. Save. Give.

November 6 - 20

You're probably used to hearing people talk about giving at church. When was the last time that you talked about *earning* or *saving*? Is it unchristian to earn money? Is it wrong to save for ourselves and our families?

John Wesley, the Christian evangelist and founder of the Methodist movement, didn't think so. He gave a remarkable sermon called "The Use of Money." During this sermon, he stated that the important thing isn't money itself, but *how* we use it. His advice still rings true today: *earn* all you can, *save* all you can, *give* all you can. Join us as we explore Wesley's advice, together.

November 6: Introduction and "Earn All You Can"

November 13: "Save All You Can"
with Leadership Board Member, Mike Steer.

November 20: "Give All You Can"
Commitment Sunday with a focus on gratitude and giving with
Rev. Christine Kumar.

A Note on Finances

The Leadership Board wants to give a heartfelt **THANK YOU** to this congregation for your financial commitment to our Church. Your giving allows TUMC to pay its ongoing operating expenses and also allows our church to carry out its mission of making disciples for Jesus through its ministries and outreach.

In reviewing our finances and the status of our budget, we want to point out that we are on target to receive **100%** of pledged dollars for 2022. This is amazing and heartening news! Once again, thank you for making and meeting your pledges.

However, in reviewing our expenses, we are finding it increasingly difficult to keep our expenditures within the budgeted amounts. This is due to two overriding factors. First, we are experiencing costly age-related building repair and maintenance costs. For example, our HVAC system repair costs have been substantially more than anticipated as we are sure you have noticed by the inconsistent temperatures at Sunday service. Second, the inflation factor has caused a rise in many of our expenses above the budgeted amounts.

Please keep the church in your prayers as we approach our stewardship campaign and as we work to prepare a workable and meaningful budget for next year.

Hurricane Ian Disaster Relief

The United Methodist Committee on Relief responds to disasters in the United States by working in partnership with annual conferences and local partners. When a disaster overwhelms a community's ability to recover on its own, UMCOR provides training, relief supplies, case management and supports long-term rebuilding efforts.

If you would like to give to UMCOR as they respond to Hurricane Ian, please visit towsonchurch.org/give. Click "give securely here" then open the "Fund" drop down menu. Select "disaster relief."

You can also leave gifts in the offering plate on Sunday morning. Be sure to mark your check or envelope with "disaster relief" where one hundred percent of your donation will go to helping UMCOR's disaster relief efforts.

November 6 at 6PM

The United Methodist Committee on Relief currently needs to restock their health and hygiene kits. These are kits that are distributed to those who are left without during major disasters such as Hurricane Ian. We will join together and assemble menstrual hygiene kits and health kits. (All supplies will be provided by our Mission Team.) All are welcome to join this activity. Dinner is served at 5:30PM and kit assembly will begin at 6:00PM.

Operation Christmas Child

Operation Christmas Child delivers joy to children in need, around the world, through gift-filled boxes. Each box should be packed with quality toys, school supplies, and personal care items. For many of these children, it is their first gift ever! This is a tangible expression of God's immense love for the child.

Boxes should be **returned by November 13th**.

Pick up your Operation Christmas Child box in the foyer. For suggestions on what to pack for these children, ages 2-14, grab a packet from the foyer.

Please **do not** include used or damaged items, candy, toothpaste, scary or war-related items such as toy guns, knives, or military figures, food, liquids or lotions, vitamins, glass containers or aerosol cans.

Angel Tree

This Christmas season, Towson UMC will continue the tradition of sponsoring needy families from our area. This includes providing toys, clothing, and household needs. The information about the families comes from the Assistance Center for Towson Churches.

Look for the Angel Tree in the church lobby on November 13th, 20th, and 27th. Select an angel from the tree that will list a child's name, age, and gift request. Return the wrapped and labeled gifts **by Sunday, December 4th**. If you are unable to shop, monetary donations will be accepted. If you have any questions, contact Marjorie Bandy at 443-417-5878.

November Mission of the Month:

Ames UMC Community Christmas Dinner

Our November Mission of the Month will be in support of *Ames Memorial United Methodist Church*, located on Baker Street in Baltimore City. We have partnered with Ames for the past several years on their back-to-school backpack mission project during which our TUMC members have contributed significantly.

We have another opportunity to assist this great church in another hands-on community project! Ames Memorial UMC youth and children will be serving Christmas dinner to residents of the community, on December 25th.

Without feeding initiatives like this, the wonderful taste of a holiday dinner wouldn't be possible for this impoverished community.

100% of your donation to the November MoM will go toward purchasing, cooking and serving a holiday meal to those among us who are less fortunate. Thank you in advance for your contribution!

You can give by visiting towsonchurch.org/give. Click "give securely here" then open the "Fund" drop down menu. Select "mission of the month."

Streets of Hope

TUMC will continue our support of this worthwhile project during the upcoming winter months. Streets of Hope (SOH) provides shelter and meals for men on the streets of eastern Baltimore County. SOH is supported on a rotating basis by churches in the area that provide dinner and other supplies every night from mid-November through April.

We are in need of stewards to shop and prepare a meal for 15-20 people and deliver that meal to the shelter located in Essex. We've had individuals, pairs, and families prepare meals in the past. Try gathering your Sunday School class or ministry together to handle a night!

Those who are interested will be supplied with a list of what is needed and reimbursed for their expenses – we just need the food cooked and delivered. TUMC can even sometimes help out with the delivery.

Our first date is **Tuesday, November 15th**. For further information or to volunteer, Please contact Dwight Kines at 410-977-0526 or drkines4@gmail.com
