May 2023

Thank you for joining us for the 2023 Women's Retreat!

Women of Towson UMC gathered at Skycroft to experience multiple thought-provoking moments and creative activities including painting and card making. We shared plenty of stories, connected in intimate ways, and collected hundreds of feminine hygiene products for young women in Greater Baltimore. Thank you all who were able to join us and a special thank you to all of the volunteers who helped make it all happen!

Save the Date: Join us on June 11 for Pastor Christine's last Sunday at Towson UMC where she will lead worship and preach. Following worship, we will gather for lunch and fellowship! *More details to come.*

Bible Study

Thursdays at 11AM
through May 28

In this study, we will use the book *The Holy Spirit* to explore the meaning and power of the Holy Spirit. The work of the Spirit is often thought of as "inspirational," but it's more than a personal experience. This book challenges some of those individualistic and subjectivist accounts. You'll come to understand that the Holy Spirit is who God is and what God does as the Trinity. And you'll learn how to prayerfully embrace this gift that created the church and become empowered to live out holy love and friendship in the world. This five week study is a great lead in to the celebration of Pentecost on May 28.

Step Away Crafting Day

June 3 from 9AM to 4PM

It's a day to leave the worries and duties at the door of Fellowship Hall to find some peace and quiet with like-minded folk. All who have an interest in pursuing their old or new hobbies are welcome to bring your gear and spend time sewing, quilting, knitting, stamping, painting and more! We'll have breakfast in the morning and a light lunch. Greet and meet others engaging in similar pursuits, and perhaps even learn a new avocation! What a blessed event to step away, truly spend *your* time how you want to and even find a new meaning to...

This is the day that the LORD has made; let us rejoice and be glad in it.

-Psalm 118:24

We welcome donations that will be given to missions at Towson UMC. Space for this first Step Away is limited, sign up in the foyer. If you have any questions contact Jan Bennett at janbennett604@gmail.com with questions.

Cards for Caring Sunday

starting June 4 following worship

How do we share God's love and show others we care? We can call, make a visit or send a heartfelt card! Who wouldn't love to get a card from a church friend whether it's for your birthday, anniversary or simply to say that they are thinking of you?

The Card Ministry has been spending time creating unique cards that each have a bible verse inside. Each communion Sunday, following worship service, these beautiful cards will be sold for only **50 cents!** Bring a few cards home so you are always ready, no matter what the occasion, to show someone you care about them.

Blessings for Erin

through May 15

A special collection for Erin Rigley, as a thank you gift for her service with us at the Center, will continue through May 15. If you would like to support this gift, you can leave a monetary donation at church (make sure your check and/or envelope is marked "for Erin") or you give online by scanning the QR code. Thank you for your generosity and care.

May Mission of the Month: Food for Thought

In Baltimore County alone, there are over 2,500 students in the public school system who fall into the category of "homeless and in desperate need." During the school week, these students have access to at least one meal each day; however, on weekends and extended breaks from school, these students are not guaranteed access to food. They are "food insecure," that is, their access to nutritious food is chronically unstable.

According to Share Our Strength's No Kids Hungry Campaign, 77% of teachers say that addressing childhood hunger should be a national priority. Children who do not get enough food are distracted, display behavioral problems, and complain of headaches and stomachaches in school. Hunger at a young age is a major obstacle to success throughout life. And few children are as hungry as children who are homeless and in desperate need.

Food for Thought has a mission to encourage volunteers to fill backpacks or bags with food, deliver them to a school during the week and allow the students to take the bag for the weekend, and return it on Monday!

Towson UMC is collecting funds that will help our team purchase food for these children. Funds are needed this Spring as we prepare for the Fall school year. *You can give by visiting towsonchurch.org/give. Click "give securely here" then open the "Fund" drop down menu. Select "mission of the month."*

We Hired a new CDC Director!

The Leadership Board and the Child Development Center Board have hired a new director for the Hampton Lane Child Development Center. Lisa Roberts who began on Tuesday, April 25.

For the past seven years, Lisa has served as a director of another preschool. Before that, she worked as a kindergarten and prekindergarten teacher in the Baltimore County Public School System and as a long-term substitute in the Harford County Public School System. Lisa holds a Bachelor of Early Childhood Education from Towson University and a Master of Education from Loyola University. She has also earned all necessary state-required certifications for the position. Along with her impressive education and experience, Lisa brings with her a positive and warm personality. I am excited about adding her to the Towson UMC team!

Be sure to be in worship on Sunday, May 7, where I will introduce Lisa to the congregation. We will pray over her and ask God's blessing on her ministry at Towson UMC. I am certain that you will enjoy meeting Lisa. Towson UMC Leadership is looking forward to the great work we know that Lisa will do!
