

TREEHOUSE

At Treehouse everyone is:

- ★ Loveable, capable, & worth while
- ★ You have a future
- ★ You are loved without strings & you are never alone

Treehouse is a safe place for teens to go. We do support nights and connect nights. We use the Bible to help teach our lessons but we encourage and welcome all.

Support nights are where the teens are broken up into smaller groups and take turns rating their week and sharing their week.
