

Cancer in Georgia

Legislative Insights and Ongoing Action

Thursday, February 5, 2026

8:30-10:00am

State Capitol, Room 216

Drop-in/Drop-out • Breakfast Provided

Please join us for an informal breakfast briefing that builds on the work of the House Study Committee on Cancer Care Access, connecting the committee's findings with ongoing cancer prevention, screening, navigation, and care efforts across Georgia. We welcome the opportunity to continue the dialogue around cancer care access and share perspectives on how efforts are working across the state.

What to Expect:

- Informal conversation and context
- No formal program or presentations
- Opportunity to engage and learn as schedules allow

*Hosted by cancer prevention, screening,
and care partners from across Georgia*
