

Communities of Color Nonprofit Stabilization Fund Request for Applications

Application deadline: September 23, 2019

BACKGROUND

In 2014, the Hispanic Federation (HF), Coalition for Asian American Children and Families (CACF), New York Urban League (NYUL), and Asian American Federation (AAF) formed an alliance to provide capacity-building support to Black, Latino, and Asian-led community-based organizations (CBOs) throughout New York City's five boroughs. These four organizations, along with the Black Agency Executives, developed this initiative to generate new levels of support for the city's organizations. As a result, the New York City Council allocated \$2.5 million to establish the Communities of Color Nonprofit Stabilization Fund (CCNSF) in Fiscal Year 2015, an amount that was increased to \$3.755 million in Fiscal Year 2019. This initiative has supported 378 capacity-building projects for nonprofit organizations to date. Thanks to continued support from the New York City Council, we are pleased to announce the release of the Request for Applications (RFA) for a sixth round of awards.

The first New York City Council fund of its kind, CCNSF aims to build the capacity of New York City nonprofits in recognition of the fact that organizations led by people of the community are best equipped to meet the needs of the community. CCNSF is also intended to promote learning among CBO leaders.

Applications will be reviewed, and awards will be determined by the partner agencies in three separate funding streams, whose allocations were determined by U.S. Census data. An organization may apply to only **ONE** partner agency, even if it serves more than one ethnic group.

Awarded organizations will be required to participate in a minimum of three technical assistance seminars on the subject of organizational development and may be visited by CCNSF staff and/or Department of Youth & Community Development (DYCD) staff for project monitoring, to showcase progress, and for delivery of additional technical assistance.

Organizations MAY NOT apply for a project under an area that they previously were funded for through CCNSF:

1. *Management information systems design and development:* This includes securing and/or designing software and building related staff skills necessary for managing work more effectively (e.g., tracking client demographic data, service utilization, and progress toward outcomes).
2. *Financial management and planning:* This includes assessment, planning, and development of financial systems, as well as staff skill-building to improve reporting systems and enable organizations to identify the most cost-effective services.
3. *Evaluation and outcomes system development:* This includes efforts to implement systems to keep information related to client needs, referral sources, and services provided; implement systems to measure and/or service recipient satisfaction and/or service recipient outcomes; develop programmatic success measures; and develop evaluation capacity.
4. *Leadership development:* This includes leadership succession planning; creation and implementation of volunteer management/recruitment plan; management/leadership training for staff; training for board of directors; and creation of board policies.
5. *New program planning and development:* This includes conducting a needs assessment of community needs and assets, planning of new programs through research on effective practices, and staff development in support of the new initiatives.
6. *Strategy and organizational development:* This includes efforts to create a staff performance review process; a strategic or operational/annual plan; a communications or marketing plan; and a fundraising or donor development plan.
7. *Collaboration and strategic alliances:* This includes efforts to establish partnership agreements, create action plans to collaborate with other agencies, and develop a plan for organizational mergers.

TOTAL AWARDS

Under this RFA, CCNSF will make awards of up to \$35,000 for organizations with organizational budgets between \$150,000 to \$500,000 and awards of up to \$45,000 for organizations with budgets that are \$500,001 and above. Priority is given to community-based organizations with budgets under \$2 million. All awarded funds must be expended, and all services must be completed by June 30, 2020. There are no exceptions to

years. However, successful implementation of a CCNSF grant may contribute to favorable consideration for renewed funding. In the event that additional funding becomes available, organizations will have to re-apply with a new project and proposal.

Award decisions will be made by three allocations panels, each organized by one of the CCNSF partners (HF; CACF and AAF; or NYUL). Each panel will be an independent and transparent body comprised of at least five voting members with expertise in philanthropy and capacity-building, as well as at least two non-voting representatives from each of the other CCNSF partners.

Awards will be subject to terms of the contract between the City of New York and Hispanic Federation, New York Urban League, or Coalition for Asian American Children and Families. Awardees will be required to enter into an Awardee Agreement with the organization to which they applied. Funds will not be distributed to any awardee unless and until all contract requirements are met.

MONITORING AND AWARD RECIPIENT LEARNING ACTIVITIES

Awardee organizations will be required to submit monthly financial reports, a mid-year progress report in April 2020, and a final report in July 2020. During the award period, awardee organizations will also be required to send at least two staff members to three seminars on organizational development topics held by one of the four partners. In addition, each awardee may be asked to host a site visit for CCNSF representatives to showcase progress and activities, as well as identify gaps or additional assistance needed.

EVALUATION CRITERIA

The strongest applications will be those that meet all or most of the following criteria:

- Project is focused, well-defined, and clearly aligns with one of the project areas identified on pages 2-3. Organizations MAY NOT apply for a project under an area that they previously were funded for through CCNSF.
- Needs statement is compelling, relates to organizational effectiveness and fulfillment of mission, and addresses (when relevant) how increased capacity will enhance organization's ability to offer services in a culturally and linguistically competent manner. If you received an award in the last five years, briefly describe the project(s), results, and any impact.
- Organization demonstrates linguistic and cultural capacity; a track record of providing culturally competent and language accessible services; an understanding of cultural and linguistic needs of population served; demonstrated and successful record of outreach to communities of color for recruitment of the executive director or CEO and members of the board of directors; and a record of involving the community in the planning, implementation, or promotion of programs.
- Staff and consultants leading the project must show the necessary qualifications and experience needed to implement the project successfully. Project includes a plan to sustain the newly-developed capacity after the award period ends.
- Project identifies a clear and realistically achievable timeline (project MUST be completed by June 30, 2020), as well as outcomes and indicators of success, and how outcomes will be sustained.
- Organizations with an annual budget that exceeds \$2 million must provide a strong rationale for the request.
- Plan identifies a reasonable process for measuring progress towards benchmarks and overall success of project.
- Project budget is clear and relates to the program design.
- Project budget costs are reasonable, and revenue is sufficient to accomplish goals of the project.

Note: There is a monetary cap on how much each Consultant can be paid under this grant; it is a collective cap across all awardees. The cap on for-profit consultants is \$50,000, and the cap on nonprofit consultants is \$75,000. A list of consultants used over the last five years, nonprofit and for-profit, will be provided at the information sessions. This is not an endorsement of the consultants themselves or the services they provide.
