

COVID-19 BUSINESS RESOURCES & INFORMATION

The Chamber is Working for New Lenox.

At the NLCC, we are aware of the uncertainty surrounding our business owners, employees, and residents. We are working diligently to HELP as best we can.

Thank you to our hardworking local government leaders and all essential works responding to this health emergency. We appreciate the hardworking people in our community that stock our shelves, transport our goods, prepare our food, keep our community safe, educate and care for our children, and help those in need. The NLCC is here to support those efforts and assist however we can.

Village of New Lenox

The Village of New Lenox Mayor, Board of Trustees, and Staff is making sure to keep our community informed. The [Village website](#) has the most up-to-date information on COVID-19 and our area. Please check it regularly for update and follow the Village on [Facebook](#) for updates from Mayor Baldermann.

Childcare for Essential Workers

From the Governor's Office of Early Childhood Development. This page contains information and resources on emergency childcare for: childcare providers; essential workers; and volunteers who want to offer support. [Info can be found here.](#)

Disaster Loan Assistance

Federal Disaster Loans for Businesses, Private Nonprofits, Homeowners, and Retailers. [Info from the SBA can be found here.](#)

New Lenox Pride Emergency Loan Program

Mayo Baldermann and the Village Board created the plan to assist small local businesses who have been negatively impacted by the Covid-19 virus. Interested business should print off and return the completed [application](#) to the Village. You can either e-mail the completed application to ndye@newlenox.net or drop off a paper copy in a bin marked New Lenox Pride Loans in the 2nd floor vestibule of the Village Hall. Any questions regarding the loan can be directed to Nancy Dye, Economic Development Co-Ordinator at (815) 922-9061.

Facebook Small Business Grants Program

A little financial support can go a long way, so Facebook is offering \$100M in cash grants and ad credits to help during this challenging time. [More info here.](#)

Small Business Administration 3-Step Disaster Loan Process Sheet [can be found here.](#)

Unemployment Resources

For information regarding benefits related to unemployment, the Illinois Department of Employment Security has a helpful information [page](#). All unemployment claims should be filed [online here](#).

Visit [CDC Website](#) for complete details of the COVID-19 Virus.
