School portraits will be taken by DR Photo. All students will be photographed for yearbook and school record purposes. Only those students purchasing portraits will receive a package. *Personal appearance is the responsibility of the parent and the student.* Your school's code will be strictly enforced.

A portion of all package sales will be returned to the school per district policy. These funds will be retained by the school as part of its fundraising activities and/or received in the form of photographic services. For further information, please contact us at 303-346-2772 or email DR Photo directly at [support@dr-photo.com](mailto:support@dr-photo.com).

DELUXE Retouching \$8.00

Our artist will hand retouch your image. Retouching will soften facial blemishes ; it will not remove tan lines or glass reflections. Our photographers will make every effort to eliminate or reduce glass reflections. Frames with the lenses removed work best.

HOLLYWOOD Touch \$4.00

HOLLYWOOD TOUCH is a soft focus technique used by Hollywood photographers to help soften facial lines. This process will NOT remove blemishes and heavy acne.
