

# CODING★CLUB IS BACK!

## Coding Club 00

Welcome to the coding generation. Your kids have the opportunity to learn the language of the future.

In CC00, kids learn:

- Blockly with Frozen, Minecraft, Moana
- Computer History from Brainiac Academy
- Computational Thinking
- Commands, Loops, Conditionals, If-then-else

## Coding Club 01

Kids who have been through Coding Club 00 can attend Coding Club 01 -or- test in.

In CC01, kids learn:

- Javascript Animation
- Computer History from Brainiac Academy
- Atom.io code editor
- HTML, CSS
- Code your first webpage

All coding club kids will receive a certificate of completion at the end of the year, a car window sticker, a water bottle sticker, and a bona-fide "Brain Card" from the [www.brainiac.academy](http://www.brainiac.academy).
