## WHAT IS ARTSONIA?

Artsonia is the world's largest student art museum. Yet, it's so much more than that! It's a safe, free, educational program designed to connect parents and families with their child's creative activities at school. Families will be able to access high quality images of their student's work for years to come.

## GIVE PERMISSION

Emails have been sent out to parents that have emails on file for their student that include a screenname assigned to your child.

If you have not received your email, please contact Ms. Lund at [MLUND@aspenviewacademy.org](mailto:MLUND@aspenviewacademy.org)

## ARTSONIA ALLOWS YOU TO:

- **View your child's artworks**

New artwork is often uploaded by the art teacher, but you can also upload artworks with your smartphone that may be sitting around the house.

- **Start a fan club**

Invite family and friends to view your child's official "fan club" so they can receive notification when new artwork is posted and boost your child's confidence.

- **Support the arts program**

You may purchase high-quality custom keepsakes with your child's art. The school arts program receives 20% of your purchase towards art materials and other supplies.
