

Dear valued customer,

We are thrilled to work with a cost effective fulfilment service to small businesses 'Qikbuy' who are looking to sell on eBay, Amazon, and other platforms. Their team is committed to providing you with exceptional service and support every step of the way.

Their services include guiding you through the process of setting up a limited company and business bank account, as well as providing full training on how to list items on various platforms. They offer sourcing and storage of products in their warehouse, giving you the option to bring your own stock or allowing them or Stock Solutions Ltd to source it for you. They also take care of all administrative tasks, including emails, posting, and other account-related matters.

Their charges are based on storage costs and postage services, and they offer flexible pricing plans to suit your needs, whether you're just starting out or looking to scale up your business. You can trust them to handle your products with care and professionalism, ensuring that they are delivered to your customers on time and in perfect condition.

By using this fulfilment services, you can save time and hassle, allowing you to focus on what really matters: growing your business and making sales. The experienced team has years of experience in the industry and can provide you with expert advice and guidance on how to succeed in the world of online selling. They have a proven track record of helping small businesses grow and thrive.

If you're interested in starting a small business or know someone who is, please don't hesitate to contact Farooq 07900 040060. Please do mention Stock Solutions Ltd & he'll look after you.

He will be happy to provide further information and answer any questions you may have.

Feel free to forward this message to family and friends and thank you for considering this fulfilment service, which I'm sure will help you achieve your business goals.
