compliance

This ghd curve is compliant with BS EN 60335-2-23 and carries the CE mark. Other approvals include the USA, Australia/New Zealand and South Africa.

manufacturer's guarantee

All ghd electrical products are individually tested before leaving the factory. However in the unlikely event of the product proving defective due to faulty workmanship or materials, then, at its sole discretion, ghd will replace the product at no charge with an identical or equivalent product within two years from the original date of purchase. A replacement product assumes the remaining guarantee of the original product or 180 days, whichever provides longer coverage for you. When a product is exchanged, any replacement item becomes your property and the replaced item becomes property of ghd.

To claim under this guarantee please visit 'ghdhair.com/returns' and follow the onscreen instructions to complete your return. Please ensure that you include a proof of purchase with any returned product. Therefore please ensure you keep your proof of purchase in a safe place.

This guarantee only applies to genuine ghd products purchased through ghd-approved stockists, and does not cover products repaired or serviced by anyone other than ghd personnel or ghd representatives. Note that this guarantee may be invalidated where serial numbers or identification have been erased, damaged or modified. This does not affect your statutory rights.

Neither Gemella Group Limited nor its subsidiaries provides replacement parts for any of its electrical units. If you do not have access to the internet please return your ghd electrical product to the closest ghd address as printed in this leaflet or on the packaging, together with your proof of purchase. For customers in Australia and New Zealand, please phone your

closest ghd office

Australia only

Our goods comply with the Australian Consumer Law, and for compliance with the Australian Consumer Law. You are also entitled to a refund or replacement if the goods are of unacceptable quality.

recycling

Your ghd electrical product is covered by the UK/EU WEEE directive, which ensures that your ghd electrical product is recycled in a safe and responsible manner. You must not dispose of your ghd electrical product in the general waste. For more information, please visit ghd.com/recycling.

UK/EU only

Your ghd electrical product is covered by the UK/EU WEEE directive, which ensures that your ghd electrical product is recycled in a safe and responsible manner. You must not dispose of your ghd electrical product in the general waste. For more information, please visit ghd.com/recycling.
