**NUBY 1 PACK BOWTIE GLOW-IN-THE-DARK OVAL  
PACIFIER 0-6M**

Glow-in-the-dark example

- 0-6m
- Nodules on the nipple that help in the eruption of new teeth
- Glow-in-the-dark handle
- Open shield that allows air circulation between the baby's skin and the pacifier, avoiding irritations

Choose the adorable pair of pacifiers you like the most for one of those precious little moments with your baby. Thanks to its glow-in-the-dark handle, you will easily find the pacifier when the room is dark. The oval teat is equipped with patented nodules that aid in the eruption of new teeth. This pacifier is suitable for babies up to 6

## NUBY 1 PACK SILICONE CHERRY PACIFIER 6-18M PINK

A unique system is incorporated in the Nuby Pacifier Natural Flex Pink. The cherry-shaped teat is flexible and moves like mother's nipple during feeding, making the pacifier ideal for use during breastfeeding.

This perfect reproduction of the natural movement of the mother's nipple soothes and comforts your baby more than a teat without this unique feature. The small nubs on the shield allow for better air circulation around your baby's mouth and prevent irritation. The pacifier is made of 100% silicone.
