

The poster has a light pink background decorated with various hand-drawn floral and leaf motifs in blue, green, yellow, and red. The main title is written in a large, bold, orange, 3D-style font, curving across the upper half of the image. Below the title, the dates and times are listed in the same orange font. A bulleted list of event features follows, with each item preceded by a small orange dot. The location and address are provided in a smaller orange font. At the bottom left, the social media handle is listed. The floral decorations include several five-petaled flowers with different patterns (dots, lines, or solid colors), a yellow daisy-like flower, green leaves of various shapes, and a red sun-like flower with radiating lines.
