The Community Foundation of the Dan River Region is pleased to announce its scholarship application process is now open for residents of Danville and Pittsylvania County. A variety of scholarships are available for graduating high school students, students who have a GED, current college students, adult learners and those interested in pursuing career and technical education or training. Annually, The Foundation awards more than 150 scholarships totaling more than $340,000.

Students are urged to begin the application process early because official transcripts and references are required for a complete application and this process takes time. Incomplete and/or late applications cannot be considered, and no exceptions are made for this. The online application system will assist applicants with eligibility criteria. The deadline for applications is March 1.
