Commentary:	<p>Aviara, one of our favorite courses to play, is the only San Diego course designed by Arnold Palmer and host to the annual Kia Classic. It also plays as one of our toughest venues, with the low net of 78 taking first place among our own Players. The highest low net thru our first four events, 78 was shot by both <b>Karen Bridges</b> and <b>Vicky McCutchan</b>. <b>Karen</b> has been consistently performing in competition and is building up a lead, and <b>Vicky</b> has turned in two top-3 scores in a row. <b>Suzanne Rogers</b> took lone 3rd with a net 79. With roughly 20% of the season underway, only one Players Cup registrant hasn't played in any of the events yet and there are still many more low scores for the taking. Join the fun!</p>
