Commentary: The largest field to-date yielded very competitive scores on a well-conditioned track. The greens played tough and seemingly faster than the advertised "10" but we all enjoyed the smooth rolls. **Bethany Selan** and **Karen Bridges** tied for 1st with impressive net 70's followed by **Eunhwa Lenehan** and **Briana Freeman**, both with net 72's. **Karen Bridges** has almost twice as many points as her closest competitor after seven events. Kudos to her extremely consistent play so far.....maybe she'll somehow lose her phone a few more times and get distracted while all players chase her lead in future rounds.
