New Student Update: Welcome to Canvas

Dear Incoming Student,

To help you hit the ground running, we want to introduce you to Canvas - the official learning platform where you will access your course materials, view assignments, and connect with your professors.

While you may see older campus guides mention "Moodle," our institution has fully transitioned to Canvas for a cleaner more modern digital classroom experience.

Quick Start Guide

- **How to Log In:** Locate the Canvas Card on RSC Passport or visit https://sage.instructure.com/login/saml. Enter your Russell Sage Credentials and authenticate with Microsoft Authenticator.
- **Download the App:** Stay connected on the go. Search for "Canvas Student" in the Apple App Store or Google Play Store to track your grades and deadlines. What is the Canvas App?
- **Navigating Canvas:** Review Canvas Student Guide for a quick video walkthrough and FAQ page. RSC/Sage Online video walkthrough link.
- **Where to Find Help:** If you need assistance navigating the platform, click the "Help" icon on the bottom-left corner of your Canvas dashboard.

We recommend that you log in before your first day of class to explore your dashboard and get familiar with the layout. Please reach out to us if you have any questions or need assistance.
