

Greetings!

The RSC Moodle Server for Academic Year 2025-2026 is now available to faculty!

For now, to access the new version Moodle, use the url [moodle-25-26.sage.edu](https://moodle-25-26.sage.edu). Starting May 2025, you will be able to access the new Moodle on our Dashboard at [moodle.sage.edu](https://moodle.sage.edu).

Faculty may now begin to build Summer 2025 courses. Fall 2025 courses will be loaded into the new server by Mid-April.

Course Prep Requests will be processed in the order that they are received after completing the WebForms below. Be sure to include exact course codes including sections and semesters or provide a direct link to each course. *EX: RSC-331-25.2025/SU*

- [Meta Course WebForm Request](#) - Create one course from multiple rosters with content and grading in one location.
- [Backup and Restore WebForm Request](#) - Place content from an older or similar course into the newest running course version.

What to know:

- We have upgraded Moodle to 'Moodle 4.5.2' There are few navigational changes with this version from 'Moodle 4.3'.
- Any new Videos on Moodle 4.5.2 are available in the [Moodle Knowledge Base for Faculty](#) (click enroll me to view)
- If you cannot access [moodle-25-26.sage.edu](https://moodle-25-26.sage.edu), please check with your Department that you have been added in CourseLeaf to the proper course(s).
