"Sunset After The Storm" – oils- 24" x 36"

Join Vicki for an exciting two day workshop, where you will learn how to create dynamic paintings with vibrant color harmony. Vicki will lead students through all the stages of the painting process with demonstrations of how to: create color mixing charts, create rich composition painting alla prima (wet on wet), and utilize critiques to improve your artwork. To enable students to begin with a strong composition, this class will emphasize the fundamental elements of color.

Some painting/drawing experience is desirable, but Vicki has over a decade of teaching experience, and is comfortable working with students at all levels. Each student will receive individual attention to help improve their painting techniques and confidence by rendering images from a photograph of their choice into a successful painting. For additional information about Vicki and her painting experience, please visit [www.vmarckel.com](http://www.vmarckel.com).

A materials list will be available prior to class, and Vicki would be happy to assist in getting any supplies you might need. Classes will be held at JarrettThor Fine Arts, 100 Taylor Street, Suite 101, Colonial Beach, VA 22443.

Cost for the two and a half-day workshop is \$200 (includes snacks & beverages. Lunch is on your own). You may register by completing the form below and mailing the \$50 deposit or by contacting: JarrettThor Fine Arts ([www.jarrettthor.com](http://www.jarrettthor.com)) 804-224-7200 or emailing at [jarrettthor@aol.com](mailto:jarrettthor@aol.com).
