Visions of Maryland - Selected Works by Addison Likins

White Plains, MD – January 14, 2017 – 7:00pm-9:00pm

Quality Printers and SMAC (Southern Maryland Artists' Collective) is proud to present Addison Likins, and his work in our first artist showcase of 2017.

Artist Statement

I am always amazed by how many, if not most people, appear oblivious to or distracted from the full extent of the beautiful and astounding aspects of the universe right before their eyes. My passion is creating or capturing and sharing these missed opportunities through my art... and reliving the thrill of that captivating moment each time I view or read my work.

Artist Bio

Addison Newton Likins, a Charles County, Maryland resident since 1990 and a Maryland resident since 1979, is a graduate of James Madison University who has been a professional and amateur photographer for almost 50 years. During the past two years he has explored Southern and Eastern Maryland and presented his visual results in a number of venues.

He has had two center photo spreads published in the Mensa Bulletin during 2015, and a photograph published in the Department of Natural Resources' winter 2016 Magazine and in their 2016 Calendar as a second place winner in their 2015 photo contest, and has a photograph in the 2017 Community Bank of the Chesapeake Calendar. He is currently showing at the Lowe House of Delegates and the Circle Gallery in Annapolis, The Anne Marie Sculpture Garden and Art Center in Dowell, Maryland where he received the Juror Award in the current show, The Community Bank of the Chesapeake in Waldorf and La Plata, The Waldorf Library and the Charlotte Hall Veterans Home.

He is a member of the Charles County Arts Alliance, the Maryland Federation of Artists, and the Mattawoman Creek Art Center.
