

CREATING DEPTH WITHIN YOUR PAINTINGS WORKSHOP

WITH
VICKI L. MARCKEL

Oct 14-15, 2016

(Friday and Saturday)

9:30 AM-4 PM

Join Vicki for an exciting two day workshop, where you will learn how to add more depth to your paintings. Vicki will lead students through all the stages of the painting process with demonstrations of how to: create a dynamic grisaille, create rich textures using a pallet knife, and utilize critiques to improve your composition. To enable students to begin with a strong composition, this class will emphasize the fundamental elements of design.

Some painting/drawing experience is desirable, but Vicki, has over a decade of teaching experience, and is comfortable working with students at all levels. Each student will receive individual attention to help improve their painting techniques and confidence by rendering images from a photograph of their choice into a successful painting. For additional information about Vicki and her painting experience, please visit www.vmarckel.com.

A materials list will be available prior to class, and Vicki would be happy to assist in getting any supplies you might need. Classes will be held at Mattawoman Creek Art Center, 5565 Upham Place, Marbury, MD 20658. Email: mattawomanart@aol.com
