

## Southern Maryland Decorative Painters

Our next seminar will be March 30 and 31, 2019 from 8 - 5, with Chris Haughey. Her website is: [www.cdwood.com](http://www.cdwood.com). Anne has painted with her (and Laurie Speltz) at NET, and she is a good teacher, lots of stencils, stamps, etc. These are the projects we will be painting. I have included the web links if you want to take a closer look. Surfaces will be chosen and information distributed by the February meeting.
