with limited virtual offerings

Thursday, June 8th
Friday, June 9th

Please visit the UMBC website for the most up-to-date information regarding campus policies around the Covid-19 Pandemic. We will be following their guidelines throughout the Summit.

The Maryland Arts Summit, hosted at UMBC, is a statewide conference presented by and for the Maryland arts sector, which includes, but is not limited to: Arts Advocates, Arts Educators & Teaching Artists, Independent Artists, Arts Organizations, Youth, Community Stakeholders, Arts and Entertainment Districts, County Arts Agencies of Maryland, Public Artists, Boards of Directors, and Folklife Artists.

It is an opportunity to network, share the fantastic work that is being done across the state, learn about communities different from your own, celebrate the accomplishments of what we as a sector have achieved, and, through dialogue and action, bring to light where systems have fallen short of the support required to help artists and organizations thrive. The Maryland Arts Summit is a place for productive conversations to move the Maryland arts sector forward and ensure its long-term success.

ADVOCACY RECHARGE
VIRTUAL EVENT
JUNE 12, 2023
9:30 AM - 12:30 PM EST

Join forces for the work ahead!

Learn what Maryland's nonprofit sector advocates accomplished in the 2023 Maryland General Assembly Session and join forces for the work ahead! During this virtual convening, we will highlight ways to ensure newly enacted laws get implemented fully and equitably and discuss strategies for working with the executive branch on nonprofit priorities.

We'll hear from government officials, including keynote speaker Lieutenant Governor Aruna Miller, about their priorities. Nonprofit advocates will facilitate conversations on a wide range of issues impacting nonprofits and the diverse communities we serve.

A panel discussion will highlight public policy gains and aims specifically affecting marginalized groups, including advancement for Black and brown communities, LGBTQ+ people, and people with disabilities.

The Advocacy Recharge is co-convened with the Maryland Association of Resources for Families and Youth (MARFY), Maryland Latinos Unidos (MLU), and Maryland Philanthropy Network.
