GREENWICH PUBLIC SCHOOLS
2017 KINDERGARTEN ORIENTATION AND REGISTRATION SCHEDULE

Greenwich, CT - Thursday, February 23, 2017 – The Greenwich Public Elementary Schools have announced plans to welcome and register incoming - Fall 2017 - kindergarten children and their parents.

The process begins with a **Kindergarten Orientation** program for parents at each of the schools on March 15, 2017 (Snow Date: March 17, 2017). Parents are then asked to make an appointment between April 3 and April 7 for **Kindergarten Registration** to verify residency and register incoming Kindergarteners at their respective schools. In June 2017, incoming Kindergarteners are invited to experience Kindergarten classrooms in their school on **Kindergarten Visitation** day – June 6, 2017 from 1:00 p.m. to 3:00 p.m. Please see attached Kindergarten Orientation and Registration schedules for each of the Greenwich Public Elementary Schools.

All schools will mail invitations for Kindergarten Visitation Day to families that have registered and/or are otherwise known to the schools as having incoming Kindergarten students. Parents/Guardians that have a child entering Kindergarten in the Fall of 2017 who do not receive a letter from the school in their attendance area should contact that school office for information on this process. Children who turn five (5) by December 31, 2017 are eligible for Kindergarten.

Dismissal/buses for this year's kindergarten classes will be at 12:00 noon on June 6.

For more information on the [Registration](#) and [Residency Verification](#) Process, please visit the Greenwich Public Schools' Website, www.greenwickschools.org.
