

Love to sing & want to meet new people?

Come and See Us...

PUMC Worship Choir Wants You!

WHO: All interested singers from adulthood down to middle school. We celebrate this unique opportunity to participate in a meaningful intergenerational experience in which friendships through the ages can be developed and fostered. If you have ever wondered if Worship Choir is right for you, we encourage you to Come and See Us. We would love to include You!

WHAT: Worship Choir provides music primarily for the two traditional services on Sundays. Beyond providing music for these services the choir also enjoys preparing and performing a Winter and Spring Concert that includes accompaniment by a professional Orchestra. Additionally, the choir regularly provides opportunities for all interested singers to participate in smaller solo or ensemble settings. With so many new musical opportunities unfolding we hope that you will get involved and Come and See Us this year.

WHY: Because you enjoy singing, fellowship and developing and nurturing meaningful spiritual relationships! Worship Choir invites all interested singers regardless of the level of skill or experience. While presenting our music well is important, our primary focus centers on faith and fellowship. Worship Choir is a great way to praise God through the giving of your time and talents. Each weekly practice includes music practice and fellowship time that includes sharing prayer concerns and celebrations. If you have interest in joining us, please know that our current choir members will be happy to provide support and “take you under their wing”. With all that said, we hope that you will prayerfully consider joining us! Come and See Us to get started!

WHERE & WHEN: Worship Choir meets as one full choir in the sanctuary choir loft for Wednesday practices from 6:30pm-8:00pm. On Sundays the choir splits duties and has some singers represent the choir at the early service while others do the same at the late service. The early service choir warms up on Sundays twenty minutes before the service in the sanctuary, while the late service choir does the same but in the choir room.

IN CLOSING: Please consider how the Worship Choir might work for you! We would love to have you "try" us out! Our first practice will be Wednesday, September 6, 2023.

We encourage you to make this the year to get involved!
