

An Interfaith Service of Community and Thanksgiving

**The First Church in Swampscott, 40 Monument Avenue
7:00pm, Sunday, November 23rd, 2025**
Coming Together to Share Music and Words that Inspire.

In a world full of brokenness, divisiveness, and violence we come together in unity and mutual support as a diverse community sharing a common story of Thanksgiving and a song of peace. Members of different faith traditions including Christian, Jewish, Muslim, Unitarian Universalist, and non-religious, will share words of hope, peace, and thanksgiving from their traditions, and from the history of our nation from Abraham Lincoln, and Rev. Dr. Martin Luther King.

We take this time to give thanks for all our blessings, together as one!

We will have a time of coffee, conversation, and fellowship after the service.
