

Rev. Walker is the Senior Program Manager for Communities Responding to Extreme Weather (CREW). CREW is a network of local leaders building grassroots climate resilience through inclusive & hands-on education, service, and planning. Learn more: [climatecrew.org](http://climatecrew.org)

## Preparing for extreme weather and its impact on Swampscott and the greater Swampscott area.

Thursday, Sept. 30th 7 pm  
Virtual Webinar host via Zoom  
(registration link below)

Join us for this virtual workshop presented by the Communities Responding to Extreme Weather (CREW) as the Senior Program Manager Rev. Vernon K. Walker will present how extreme weather is impacting Swampscott and surrounding areas and what residents can do to prepare for it now and in the future. This event is part of CREW's Climate Prep Week and co-sponsored by the Swampscott Library, Town of Swampscott Conservation Commission, and the Unitarian Universalist Church of Greater Lynn.

### Registration Required:
