

Ferry Beach

April 26 - April 28

Registration is now open to join us to unwind, find inspiration, and soak in the special healing power of Ferry Beach together April 26-28. Register through [this link](#), which is unique to our church's retreat, or by calling them at [207-282-4489](tel:207-282-4489).

Registration for the weekend includes lodging and four meals (3 meals Saturday, and breakfast Sunday morning. No meal Friday night). The cost is about \$235 for a dorm room for the two nights, and goes up from that depending on [lodging choice](#) and number of adults and children in the reservation. There are a limited number of cottages and cabins with special features including accessibility and we do have discounted prices for many of the lodging choices from what you may find on their webpage. We encourage you to register as soon as possible if you are interested in any of the special lodging choices.

Registration (and cancellation of registration) is open through [April 12th](#), although the sooner we know, the easier it is to plan! Please reach out to Rev. Chris to express interest and with any questions about the weekend, including the possibility of carpooling, new shared programming possibilities with the UU Church of Stow & Acton including a Friday night social hour in the [Quillen](#) building, and information on our no-fuss camperships, which are available through April 7th. We do not want finances to prevent anyone from coming, so plenty of camperships are available to help.

Hope to see you there!
