

MAY 1ST - 14TH 2021

FREE RIDES FOR HEALTH CARE HEROES

At this uncertain time, one thing needed is certain:
Community.

A year into the pandemic, and one thing has remained consistent: the endless dedication of our health care workers. Current Taxi is proud to bring back its Health Care Hero program to provide support to those on their commute to and from work. Starting May 1st, Interior and Island Health care workers will be able to redeem their complimentary rides to and from their place of work.

Since the inception of the program in Spring of 2020, Current Taxi has proudly provided over 475 rides for health care workers (heroes) on the front lines, and are honoured to offer this service to its communities in Kelowna and Victoria once again.

How To Book

STEP 1:

Employees pre-book their ride on our app (available in the [App Store](#) & [GooglePlay](#))

STEP 2:

Add "IH employee" into the Notes section for the booking

STEP 3:

Show your Health Authority ID badge to the Driver at the start of the ride

STEP 4:

Have a safe day at work!

Guidelines

- Program is available for Interior Health and Island Health Health Care Workers
- Participants must show their valid Health Authority badge upon pickup
- Rides must start or end at one of the eligible hospitals (full list available [online](#))
- Rides are limited to a 20km radius of the eligible hospitals
- Rides should be pre-booked as far in advance as possible to ensure availability

Buy A Ride

Community Members can also participate in the program by purchasing a five-star, pre or post-shift ride for a health care hero online at currenttaxi.ca/healthcare-hero
