Kelowna HR is proud to announce an exciting new partnership.

We are always striving to bring absolute best practices to our clients, to help them tackle their HR challenges quickly and efficiently.

Kelowna Human Resources has partnered with McLean & Company. We now have the research, best practices and HR support of a global HR Research & Advisory organization, serving over 4500 HR Professionals worldwide. With the support of their experts, we will be able to supply you with the latest insights, and even more industry-leading tools and services.

What does this mean for Kelowna HR companies?

In addition to the suite of services we currently offer, we can help you:

Build HR as a Strategic Business Priority

In partnership our tools are specifically designed to help our clients mature their HR processes to act as truly strategic partners to the business. Insights span the following categories:

HR Strategy	Culture	Talent Management	Talent Acquisition	Talent Development	HR Infrastructure

Leverage Employee Insights - Be Data-Driven - Communicate your Successes

Kelowna Human Resources now has the ability to assist with leading data collection and survey programs that will help you to increase your HR Department maturity, build competitive talent practices, and drive accountability for engagement.

New Hire & Exit Survey

HR Management and Governance

360 Feedback Report

Employee Engagement

Stakeholder Management

McLean Leadership Index

For a demonstration of these programs, or to discuss our proven best-practices methodologies to assist with your HR needs, please contact Kelowna Human Resources at 250-826-6964. *Your HR department just when you need it.*
