Chili Cook Off
Grab your spoons and get ready for Grace's chili cookoff on Saturday, November 14 at 5:30pm. Please sign up on the bulletin board above the water fountains or email Deaconess Anna by November 6th if you plan to bring chili. Invite a friend to join you at the event - All are welcome! We'll need taste testers, too!

Food Drive
Grace will be assembling bags of food for local Early Head Start families at our Chili Cookoff on November 14. Please bring your non-perishable donations to church through November 11 and place them in the designated area just inside the front doors (look for the sign). We are also collecting small to medium sized boxes for the food drive. We will use them to pack up the food for each family.
