

Grace House Task Force- March 2026 Update

Earlier this year, a Grace House Task Force was formed to prayerfully consider how the Grace House property might best serve our congregation and the wider community. The group has begun meeting to explore possibilities, gather information about local needs, and connect with community organizations that may offer partnership opportunities.

Over the coming months, the task force will continue its work with the goal of bringing two to three proposals to the congregation for consideration and a vote in May. We invite the congregation to keep this process and members of the group in prayer as we discern meaningful ways Grace House might support ministry and outreach in our community.

The task force is also planning a casual open house at Grace House, where members of the congregation will have an opportunity to stop by, enjoy light refreshments, see the space, and learn more about the work being done. More information coming soon!

If you have questions or ideas you would like to share, please feel free to reach out to any member of the task force: Adam Casteel, Whitney Kolba, Anna Voelker, Janet Dickmander, Kent Silvernail, Carolyn McElfatrick, or Mike Hunike. Or you may contact the church office, who can help you get in touch with the above individuals.
