

The Home-Centered PALS facilitators meet monthly with the goal of staying in touch with our members who are 'home-centered' and typically unable to get to church for various reasons, mainly mobility issues. Currently there are 19 folks that we contact and pray for. The members of this H-C PALS facilitation group are former Deacons, current Stephen Ministers and other servants at Grace who have a heart for our older members and serving them while encouraging them also to reach out to each other. Current members of the group are: Tom McGill, Judy Barnes, Scott Gesell, Joe Wethman, Joyce Rea and Barb Tippin. If you have a heart for this sort of ministry, we would love for you to engage with us! We are studying a book in our meetings called, *"Returning Home"* by Billy Graham.
