School Supply Drive—Gather at Grace: Summer Fun

Help us prepare local students for a successful school year!

From now through Sunday, August 16, Grace Evangelical Lutheran Church will be collecting new and gently used school supplies as part of our Gather at Grace: Summer Fun community event.

During the event on August 22, donated supplies will be available for families attending the festival. Following the event, any remaining items will be donated to support local students and teachers.

Items we are collecting include:

- Backpacks
- Lunch boxes
- Pencils, pens, crayons, and colored pencils
- Markers and highlighters
- Notebooks and composition books
- Folders and binders
- Loose-leaf and copy paper
- Pencil pouches
- Glue sticks
- Blunt scissors
- Dry erase markers
- Tissues
- Hand sanitizer
- Other school essentials

Please place donations in the designated collection area.

Thank you for helping us live out Grace's mission by caring for our neighbors and supporting children as they begin a new school year. Every donation—large or small—can make a meaningful difference.
