

“How to Talk about Vaccines” An Interactive Webinar with Dr. Paul Offit November 27, 2018 12:00 Noon

“Science doesn’t speak for itself. Neck-deep in work that can be messy and confounding and naïve in the ways of public communication, scientists are often unable to package their insights into the neat narratives that the public requires.”

You are invited to hear internationally renowned vaccine expert Paul Offit, M.D, F.A.A.P. answer difficult questions about recommended vaccinations commonly asked in clinical and community settings. Learn specific strategies to separate fact from fiction when you need to talk about vaccines.
