Support The Adam Taliaferro Foundation's Champions Program!

The Adam Taliaferro Foundation will be collecting donations for its Champions Program during Friday evening's Eastern at Washington Township football game at Washington Township High School.

Collections will be taken up by representatives from Washington Township High School and the Foundation during pregame and halftime activities.

Proceeds from the annual Champions Contest will raise scholarship money to help student athletes meet their financial needs toward attending college and to help provide emotional, financial and educational support to student athletes who suffer catastrophic head or spinal injuries.
