

PIP

Palestinian Internship Program

Corporate Sponsorship

Yadin Kaufmann, Founder & Chairman
Anna Gol, Executive Director

OVERVIEW

The PIP Organization is building a committed base of partner companies who will support the Internship Program's mission of providing young Palestinian professionals and entrepreneurs with high-level internship opportunities, thus helping to build a robust Palestinian tech sector. Companies can sponsor individual interns, events, or pledge annual donations. This support will allow PIP to continue its work investing in future business leaders and thereby contributing to the prosperity and stability of the region.

AREAS OF IMPACT

Every 6-month cycle, PIP works with 40 Finalists to help better prepare them for the job market by matching them with high-level internships at Israeli and multinational tech and finance companies.

- » 65% of PIP interns are offered full-time positions post-internship
- » 10% of PIP alumni have founded their own tech-startups

37%
YOUTH
UNEMPLOYMENT
IN WEST BANK

2000+ ICT GRADUATES
50% WOMEN W/
DEGREES UNEMPLOYED
6% FEMALE LEADERSHIP

This is PIP's vision for the Palestinian tech sector: a snowball effect of individual investments generating societal benefits. Establishing a strong foundation upon which a strong tech-ecosystem can flourish. Your donation will contribute to this growth, by funding an intern's placement, professional development workshops, and networking opportunities.
