

Join Bishop Jeff Johnson at the 2026 Queer Faith Festival on June 14th

Our Savior Lutheran Church in Lafayette, CA, is thrilled to host the second annual **Queer Faith Festival** on **Sunday, June 14, 2026, from 2:00 PM to 5:00 PM.**

Born out of a powerful, community-driven response to acts of hate and stolen Pride flags in 2025, the Queer Faith Festival has grown into a vital interfaith movement. It offers a joyful, inclusive space where diverse religious traditions and LGBTQ+ identities are celebrated side by side, reminding those who have felt excluded that they are not alone.

We are incredibly excited to announce that Sierra Pacific Synod **Bishop Jeff Johnson** will be joining us this year to participate in an LGBTQ+ panel discussion.

The afternoon will also feature an Interfaith Blessing Ceremony, collaborative art projects, live performances, and a vibrant children's area

How Congregations Can Participate:

- **Attend:** Bring your family, friends, and youth groups to this free, all-ages event.
- **Table:** Host a booth to showcase your congregation's welcoming ministry and connect with neighbors from across the region.
- **Support:** Volunteer opportunities and sponsorship options are available to help keep this event accessible to all. (Donations can be made via Zeffy by selecting "QFF 2026").

Come celebrate the shared values of justice, love, and compassion with us! For more information or to register your congregation for a table, please visit queerfaithfestival.org or contact Pastor Sarah Street at pastorsarah@oslc.net .
