## Benefits of joining the ILA?

The strength of our association and the integrity of our industry are in the combined forces of ground transportation owners and operators, the shared ideas of all service providers, and the open line of communication between these providers. The ILA's growth and strength equates to a much greater, more effective united voice for the regulatory agencies that govern our industry. Membership in the ILA also offers you the opportunity to network and benchmark with the most successful limousine operators in the Chicago area. The ILA is a United Voice for our Industry!

## The ILA is dedicated to:

- Advance cooperation among livery operators.
- Serve as an advocate for members with regulatory bodies.
- Improve the professional image of our industry through education and training.
- Facilitate strategic relationships between operators, vendors and regulatory bodies.
- Offer members networking opportunities.
- Research, propose and communicate regulations and legislation of concern to the limousine industry.

“ *To best serve our members and the limousine industry.* ”

## About Us

The Illinois Limousine Association (ILA) is dedicated to promoting quality service and standards in the ground transportation industry in the State of Illinois. The ILA was established in 1987 by a small group of operators to unify, protect, and promote the growing livery industry within the State of Illinois and the Greater Chicago Metropolitan Area. The purpose of the ILA is to provide a statewide and local industry forum for the collection and exchange of information pertaining to issues, including regulatory and legislative, that affect the member companies of the ILA, and to advance the interest of the Illinois livery industry and its members before Local, State, and Federal regulatory authorities.

The ILA provides a forum for member companies to exchange ideas and expertise in customer service, industry trends, employee hiring, vehicle maintenance, regulatory requirements, and other industry related matters. With regular scheduled meetings, members have the opportunity to network with other operators, companies, suppliers, and representatives from state and local agencies.

The ILA is governed by a Board of Directors and maintains no vehicles of its own and cannot accept reservations from the public. For service and information, we ask that you contact our members directly, or go to our home page and click on the Request Information section. From there, you can draft an email requesting specific information about the ILA or information on the livery industry. To request a service rate or price quote from our members, please click on the 'Get a Quote' section, and from there, you can receive rate quotes from our members for the particular type of service and vehicle type that you may be seeking.

## The Illinois Limousine Association's Annual Meeting

The ILA holds its annual meeting generally during the month of May. The annual meeting is well attended by limousine companies, bus companies, business owners and vendors from all over the Chicago land area.

Guest speakers from around the country come out to educate and enlighten our audience with the latest trends and updates in the transportation industry. In addition, there are plenty of networking opportunities and a chance to see the latest vehicles in production from many manufacturers.

The ILA has a fall meeting usually during the month of September at the time of the Bus Con Convention at the beautiful Chicago Navy Pier.

More details about this meeting will follow in our Monthly Insider Newsletter.

Please call if you have any new ideas, feedback or any input for any of our meetings or for our monthly Insider Newsletter.
