

DISCOVERY SEMINAR SERIES

Learn | Grow | Thrive

Discover the New Retirement: June 22, 2021 2– 3 p.m.

This seminar describes the “new retirement” and the changing nature of work. The seminar explores motivations of older workers and, by identifying an expanding range of options, helps attendees design their lives as they transition to retirement.

Join in with others from your community to expand your options through pre-retirement planning and build your own vision of retirement.

Thinking Beyond the Money: June 29, 2021 2– 3 p.m.

This seminar offers a framework that connects non-financial decisions with the life planning process. Supported by tools and resources, attendees will begin to think ahead about retirement in a creative and comprehensive way. The seminar presents a new definition of “retirement” and a practical model for planning one’s future by identifying six key priorities in a retirement planning pyramid: seeking purpose, keeping fit, staying connected, finding home, finding security, and finding balance.

Join in with others from your community to make your retirement all it can be.
