

A SERIES FOR  
COIN COLLECTORS AND  
BIBLIOPHILES ALIKE

# A RARE DAY INDEED

## **Virtual Tour of the US Mint**

Wednesday, July 20

10:00am-11:00am

FREE- #21669

The United States Mint presents on coins, coin collecting, and a behind-the-scenes look at how coins are made. Learn the history of the Mint and virtually tour the production floor of the United States Mint at Philadelphia.

## **Lunch and Learn: *Coins New and Old***

Monday, August 15

Meadowbrook Park Clubhouse

11:30am-1:00pm

\$25- #22494

Join Rick Raines with the *Johnson County Numismatic Society* at Meadowbrook Park Clubhouse for lunch and a presentation on coins from ancient civilization to modern day Crypto currency, and coin collecting. He'll bring along a collection of rare coins you've never seen. Lunch included.

## **Day Trip: *A Rare Day Indeed***

Thursday, August 25

8:30am-3:30pm

\$79- #22475

Visit the Kansas City Public Library for a guided tour. See the original vault, tour the current exhibit, hear about the history of the decline of banks in the downtown area as they gave way to the library district, and learn about the rich architecture of the building. Finish with a tour of their collection of rare books and artefacts that live onsite. After, tour the Money Museum at the Federal Reserve. Lunch included.
