

## **NORTH STATE BIA 2018 ELECTION UPDATE**

**FOLSOM.** Our three candidates—Aquino, Howell, Kozlowski—appear headed to victory with about half the votes counted (11,000 voters counted, 20k total projected). Aaron Ralls is in 8<sup>th</sup> place. As of now Rob Ross is in 4<sup>th</sup> and Barbara Leary is in 5<sup>th</sup>. It seems unlikely that Aaron Ralls will change positions substantially.

**ELK GROVE.** Steve Ly has a substantial lead. We had endorsed Darren Suen for Mayor but our early polling showed that Steve would likely be hard to beat.

BIA candidates will retain control of the council. Stephanie Nguyen and Pat Hume have large leads, and that also lines up with our polling. We supported both.

**LINCOLN:** Alyssa Silhi is in first. Holly Woods Andreatt is in second. Dan Cross is in third. We had endorsed and donated heavily to Silhi and Cross.

**ROSEVILLE:** BIA candidates are on track to win the two seats as we expected. Krista Bernasconi and Pauline Roccucci hold commanding leads for the two available spots. We endorsed both, as well as Bruce Houdesheldt.

**Rocklin:** BIA candidates are winning the two seats. Bill Halldin is in first and Jill Gayaldo is in second. BIA endorsed both of these.
