

The Chateau Anna Maria Opens at Waterline Villas & Resort

Co-owners of Food Network's Summer Rush bring fine dining to AMI

Buddy Foy, Jr. and his wife, Jennifer, of the Food Network Reality TV series, "Summer Rush" have brought a wonderful new French-styled, fine dining experience to Waterline Villas & Marina. The Chateau Anna Maria, which opened in December, has a look, feel, and food inspired by The Château on the Lake, the Foy's' restaurant on Bolton Landing (Lake George), New York chronicled on Summer Rush. The Foy's will be featuring their experience opening the Anna Maria Island location for television.

The Chateau is open daily serving breakfast, lunch, and dinner. The continental breakfast includes items like a king crab eggs Benedict and a lobster frittata, casual lunch offerings include a cheeseburger and fish and chips, and fine-dining dinner offerings include fresh seafood, with imported cheeses and meats from Europe. There is also a great cocktail menu and wine list. The Chateau Anna Maria serves walk-in breakfast and lunch and reservations recommended for dinner. Additionally, the restaurant will have several docks slips for guests arriving by boat.

Château Anna Maria is located inside the Waterline Villa & Marina complex, 5325 Marina Drive, Holmes Beach. For dinner reservations, call or text 518-361-9425 or through [OpenTable.com](https://www.opentable.com)
