June 1, 2019

Attention: Manager

NXNE invites you to celebrate with us, and over 25,000 people, at this year's Festival Village from Friday June 14th to Sunday June 16th, 2019. As one of the largest free, outdoor festivals in North America.

Our main performers include; **Cold War Kids, Santigold, Killy, The Regrettes, 88GLAM,** and **Anders**.

In its 25th year, NXNE has extended our footprint down Yonge Street from Dundas to Queen with the addition of a new stage featuring local up and coming talent. This space will include sponsor activations, community groups, art instillations, and more. In addition, NXNE **will not** be bringing in any outside food vendors, to ensure all businesses are seeing elevated activity this weekend.

Yonge Street from Dundas to Queen will be closed at **12:01am Friday June 14th** with Shuter remaining open for access to Eaton Centre Parkade.

Vehicle mitigation is a huge priority for us this year. Our road closures noted below details traffic diversions happening a block out from the closure, where paid duty guards and security will be stations.

Please Note: There will be no parking during street closure.
