National Rural
Health Day

Celebrating the Power of Rural

IT'S NOT JUST A DAY. IT'S A MOVEMENT.

HCC of Rural Missouri Celebrates Rural Health Day on November 16, 2017

In conjunction with Rural Health Day, the HCC is observing the Great American Smoke Out.

National Rural Health Day is an opportunity to “Celebrate the Power of Rural” by honoring the selfless, community-minded, “can do” spirit -- like Melanie Corporon's -- and also highlights the unique health care challenges that rural citizens face.

Events

- Mayor Jerry Brown will honor Melanie Corporon with a Rural Health Day proclamation at noon on the courthouse steps.
- Food drive held for the local Food Pantry.
(Frozen turkeys and hams included.)
- Activities for students interested in the health professions.
- Access to HCC's warehouse where social service providers may collect goods and supplies to distribute to those in need.

“Melanie was one of those rare individuals who truly had a heart for service.”
- HCC CEO Toniann Richard

This year's celebration is dedicated to the late Melanie Corporon.
